

Directions from Capitol Hill Station to Start Point – Labor Day Walk

(these directions are not part of the sanctioned AVA walk directions – this is for the convenience of Light Rail riders to commute to the Start Location)

To **WALK** from Light Rail to Start Location:

- 1.) Disembark the train at **Capitol Hill Station**.
- 2.) Look for the escalator with the sign saying:
Exit / E. Denny Way - Streetcar & Cal Anderson Park
Take that escalator up one level.
- 3.) **RIGHT** at the tunnel/walkway with the sign:
Exit / E. Denny Way & Broadway – Streetcar
Continue on this walkway to the next escalator,
and take that escalator to street level.
- 4.) At street level, you will be on Broadway.
- 5.) **RIGHT** on Broadway. Walk 7 blocks to E. Columbia St.
- 6.) **LEFT** to **CROSS** Broadway, using the walk signal.
Note, use caution when crossing the bike lanes
(peds have the right-of-way with the walk signal,
but be alert anyway).
- 7.) Continue straight, downhill, on Columbia. When it
becomes a pedestrians-only walkway, you have
entered the Seattle University campus.
- 8.) Continue straight, to the end, at the flagpole.
- 9.) Start location is at **Sullivan Hall** on your left,
beyond the blue construction fencing.
Look for the registration tables.
- 10.) After your walk, to return to Capitol Hill Station,
retrace these steps back to the Station. The walk
distance from the Station to the start location is about
1.2K (one-way), and is not included in the sanctioned
walk route or distance (but you can pat yourself on
the back for being a Volkssporting over-achiever! 😊)

TIPS for riding on the Seattle Street Car:

Schedule: The Street Car runs every 12 minutes.

Orca Cards:

You can use your Orca Card on the Seattle Street Car. First, “Tap off” at the yellow kiosk at the Light Rail Station. This tells the system you have disembarked Light Rail at Capitol Hill. Then at the Street Car Station, “Tap on” at the yellow kiosk located there. Your paid fare from your trip on Light Rail will transfer to the Street Car fare. There may be some additional fare for the Street Car, but it won’t be the full price fare. When you disembark the Street Car, you do not need to “tap off” at the kiosk there (tapping off is only necessary when riding on Light Rail).

Cash or Credit Cards:

Use the automated kiosk to buy a ticket for the Street Car. It only takes coins or credit cards. Purchase for one-way or round-trip. Cash/credit card fare purchases are not transferrable to/from Light Rail (that’s only on Orca cards).

Fares – Seattle Street Car:

One-way fare is \$2.25. Round-trip is \$4.50.

For the **STREET CAR** from Light Rail to Start Location:

- 1.) Follow steps 1 – 4 of **WALK** directions (see left of page).
- 2.) Turn **RIGHT** on Broadway and walk about 100 feet to the Seattle Street Car station on your left.
- 3.) Purchase your fare (see Tips, below and left of page).
- 4.) **BOARD** the Street Car. Ride for 7 blocks to the “Broadway & Marion” stop.
- 5.) Disembark the Street Car and turn **LEFT**. Walk a half-block to the traffic light at E. Columbia St.
- 6.) Follow steps 6 – 9 for **WALK** directions (see left of page).
- 7.) After your walk, to return to Capitol Hill Station, retrace your steps back up to Broadway.
- 8.) **RIGHT** on Broadway and walk about 200 feet to the Street Car station.
- 9.) At the crosswalk, turn **LEFT** to **CROSS** the bike lanes (use walk signal – gives you the right-of-way).
- 10.) Purchase your fare and **BOARD** the Street Car in the NB direction. Street Car terminus is Capitol Hill Station.
